Dear Judge Lovric:

The defendant in the above-captioned matter is scheduled to appear before the Court for a detention hearing this afternoon at 3:30PM. After consulting with the client, the defense now waives Mr. Butler's right to that hearing and reserves the right to reschedule it at a later date. Mr. Butler also waives his right to an immediate preliminary hearing, also reserving that right for later if necessary.

Thank you for your consideration.

Respectfully,

/s Gabriela E. Wolfe
